**Subject:** EPA 'designation' letter authorizing the County of HI to initiate consultation with SHPO for the Pahala LCC Project

Hello Bill et al. –

Please see attached for EPA’s letter to SHPO authoring COH to initiate National Historic Preservation Act consultation on our behalf for the Pahala LCC Project. I am emailing this letter to you since you are all noted on the cc: list.

Please note that once this letter is issued, the County can immediately start consultation with SHPO on our behalf. I am still working on identifying other Native Hawaiian associations that will need a similar letter.

If you have any questions, please let me know.

Thanks. Kate
